RIVER TRIPS & DAY BOAT HIRE

## Discover the magic ...

By far the best way to truly appreciate why the Norfolk Broads are known as Britain's magical waterland, is by boat.

Join us on a Broads Tours river trip, where you can sit back and relax as we slowly make our way through this enchanting landscape. With live commentary along the way, light refreshments and a licensed bar - what more could you ask for?

If you would rather be independent and take the helm yourself, then hire one of our day boats, pack up a picnic and simply enjoy the sights and sounds of the Broads at your own pace.

Whichever you choose, we know you will feel you have had a special day and will want to do it all over again ... that's the magic of the Broads!
